All the staff make my mother feel part of the Pinehurst family and she never fails to tell us how happy she is.

Pinehurst is in a class of its own. This past year has been so difficult for everyone, but my Dad has remained healthy and happy, surrounded by a team of people he loves. Their dedication throughout this year has been truly outstanding, not without some personal sacrifice of not seeing their own families as much, so they can look after mine.

My 96-year-old mother has lived at Pinehurst for three years. Thanks to the professional and dedicated staff it has a friendly, family atmosphere and my mother flourishes there.

From our first visit to see if the care home would be suitable for our mother, we were met with friendliness, concern and kindness. It was the right decision to place our mother here. The kindness and excellent care has continued. Communication between the Home and our family has been exceptional.

Your Day, Your Choice

The Home Manager believes that every resident should have individual choice.

Situated in the leafy village of Crowthorne, recently renovated Pinehurst is a wonderfully warm and friendly home, where residents live in a beautiful homely setting surrounded by serene, landscaped gardens.

Our care team are on hand 24 hours a day, and happy to help residents with a smile and cheery word, whether they need company & support with daily care, or require round-the-clock specialist care. The team and residents together create a family atmosphere where everyone lives life to the full.

The superb setting helps each resident enjoy a full, stimulating and person-centred life whatever their care needs are, from regular trips to the pub and garden centre, a quiz afternoon, or having some quiet time reading the paper or listening to the radio. Our wellbeing programme promotes a healthy mind, body and soul. Summer barbecues, chair exercise classes, and church services are only some of the ways we keep minds active and spirits high.

Nutritious, wholesome homemade food is on the menu at Pinehurst, with residents involved in developing menus that suit their tastes, made with fresh locally sourced ingredients. Every meal is varied, tasty and well-presented making dining a wonderful social occasion, tailored to individual dietary needs.

And that is at the heart of everything we do: treating every resident as an individual and ensuring that our care meets their every need. Attentive nurses & carers taking time to get to know every resident personally makes for a positive and happy life at Pinehurst.
