Fantastic staff, who genuinely seem to care a great deal, which personally is the most important factor. Well run with excellent management.

There is plenty of entertainment for the residents, and the whole place always looks so clean and smells lovely. After a visit, we are always happy knowing Dad is in safe hands.

The care that my father receives at Grace Manor is – in my hand on heart opinion – outstanding. All the staff at Grace Manor have welcomed my dad with open arms. He is treated with huge respect, dignity and understanding.

Your Day, Your Choice

The Home Manager believes that every resident should have individual choice at the centre of everything the team does.

Recently renovated Grace Manor is a wonderfully warm and friendly home, where residents live in a beautiful homely setting surrounded by serene, landscaped gardens, within easy reach of Gillingham town centre.

Our nursing & care team are on hand 24 hours a day, and happy to help residents with a smile and cheery word, whether they need company & support with daily care, or require round-the-clock specialist care. The team and residents together create a family atmosphere where everyone lives life to the full.

The superb setting helps each resident enjoy a full, stimulating and person-centred life whatever their care needs are, from regular trips to the cinema, a quiz afternoon, or having some quiet time reading the paper or listening to the radio. Our wellbeing programme promotes a healthy mind, body and soul. Summer barbecues, chair exercise classes, and church services are only some of the ways we keep minds active and spirits high.

Nutritious, wholesome homemade food is on the menu at Grace Manor, with residents involved in developing menus that suit their tastes, made with fresh locally sourced ingredients. Every meal is varied, tasty and well-presented making dining a wonderful social occasion, tailored to individual dietary needs.

And that is at the heart of everything we do: treating every resident as an individual and ensuring that our care meets their every need. Attentive nurses & carers taking time to get to know every resident personally makes for a positive and happy life at Grace Manor.
