My grandmother, who is 99 years old, has been a resident at Belmont Lodge for six years. Nan, in my opinion, has always been well looked after. Staff have been caring and professional.

Living overseas and having my dad in care adds a level of worry, but the attention that he receives at Belmont Lodge is exceptional. I know he is well looked after and that the team there go the extra mile to make his day brighter. Thank you for looking after my dad so very well.

My Nan was a resident for many years at Belmont Lodge, one of the longest at the time. My family and I were thoroughly impressed with the care my Nan received whilst residing there. We continue to have a relationship with the staff that took care of her and we will continue.

Your Day, Your Choice

The Home Manager believes that every resident should have individual choice at the centre of everything the team does.

Belmont Lodge is a friendly, caring 'home-from-home' set in a prime residential location close to Chigwell's high street.

We put our residents at the heart of everything we do so they can enjoy the best quality of life possible, while giving their families the peace of mind that comes from knowing their loved ones are safe, happy and being treated kindly.

This positive approach to caring promotes independence, choice and dignity on an individual basis.

Alongside our long-serving team of highly trained care assistants, who are on hand 24-hours a day, we have dentists, opticians, occupational therapists, physiotherapists and chiropodists who all make life easier and better by doing home visits at Belmont Lodge.

To ensure that our residents can carry on living the kind of life they enjoy, doing what they want when they feel like it, we have plenty on offer from a visit to the local shops or the cinema, having a salon blow-dry and manicure, taking part in a quiz afternoon, to gardening, handicrafts, or simply, sharing a smile over a cup of tea or quietly watching television in the privacy of their bedroom. In the summer we have garden tea parties and barbecues and meals can be taken on the patio. Days out to London's many attractions or to the seaside are regular events too.

At Belmont Lodge there's always someone around or something to do that makes life feel better.
