The staff are very caring and attentive to my mother and know her needs extremely well.

From the very first visit I was extremely confident that the management and staff were going to help, support and care for my dad in the way that I would hope for. This has continued in the 2 months he's been there. I would highly recommend Warren Lodge for any family needing to make an extremely difficult decision easier.

It is a happy place, very welcoming. Always the same members of staff around to help you with a smile on their face. The managers are always very approachable and helpful too. Lovely well-maintained garden, lawn and flowers at rear and nicely decorated front. Lovely views from my very comfortable room. A very welcoming place.

Warren Lodge Care Centre

A warm and friendly home in Finchampstead Wokingham, Berkshire

Your Day, Your Choice

The Home Manager believes that every resident should have individual choice at the centre of everything the team does.

Warren Lodge is a wonderfully warm and friendly home, where residents live in an elegant country residence surrounded by two acres of lawns, trees and flowers, including a sensory garden.

Our caring staff are on hand 24 hours a day, and happy to help residents with a smile and cheery word, whether they need support getting out of bed or require round-the-clock specialist care. Staff and residents together create a familial atmosphere where everyone lives life to the full.

The superb setting helps each resident enjoy a full, stimulating life whatever their care needs are, from regular trips to the cinema or a quiz afternoon, or having some quiet time watching TV in their room. Summer barbecues, live performances from visiting musicians and entertainers, keep fit and even trips to the seaside or into London keep minds active and spirits high.

Homemade food also plays a big part of life at Warren Lodge, with residents involved in developing menus that suit their tastes, made with fresh locally sourced ingredients. Every meal is varied, tasty and well-presented making dining a wonderful social occasion, tailored to individual dietary needs.

And that is at the heart of everything we do: treating every resident as an individual and ensuring that our care meets their every need. Attentive care, and staff taking time to get to know every resident personally makes for a positive and happy life at Warren Lodge.
