Cedars is truly a home-from-home, set in a large, detached traditional property, with rooms that overlook beautifully-maintained enclosed gardens at the heart of New Barnet.

Our long-serving nursing & care team are on hand 24 hours a day, and happy to help residents with a smile and cheery word, whether they need company & support with daily care, or require round-the-clock specialist care. The team and residents together create a family atmosphere where everyone lives life to the full.

A wonderful, easily accessible setting helps each resident enjoy a full, stimulating and person-centred life whatever their care needs are. From regular trips out to the community, a quiz afternoon, or having some quiet time reading the paper or even tending to the vegetable patch in our raised garden. Our wellbeing programme promotes a healthy mind, body and soul. Summer barbecues, chair exercise classes, and church services are only some of the ways we keep minds active and spirits high.

Nutritious, wholesome homemade food is on the menu at The Cedars, with residents involved in developing menus that suit their tastes, made with fresh locally sourced ingredients. Every meal is varied, tasty and well-presented making dining a wonderful social occasion, tailored to individual dietary needs.

And that is at the heart of everything we do: treating every resident as an individual and ensuring that our care meets their every need. Attentive nurses & carers taking time to get to know every resident personally makes for a positive and happy life at The Cedars.
