Any resident of the smaller villages around Norfolk will tell you that there's a special sense of community within the locale – a pride, a vibrancy and a warmth, and that also sums up the care experience for residents at Hassingham House in Hingham.

Our long-serving nursing & care team are on hand 24 hours a day, and happy to help residents with a smile and cheery word, whether they need company & support with daily care, or require round-the-clock specialist care. The team and residents together create a family atmosphere where everyone lives life to the full.

Hassingham House is a purpose-built care home, offering a wonderfully accessible setting to promote a full, stimulating life for each and every resident.
