This is the best of the best! My mother is at the end of her life and the care and attention and affection she is receiving are really wonderful. I feel so good knowing that she is with everyone here. I cannot recommend Bridgeside Lodge Care Centre enough.

This is an excellent care home. All the staff are friendly and hardworking. My mum is well cared for, and I am so happy with the care she receives; she could not be in a better place. The manager is so caring and attentive and knows every single resident. I know my mum is safe and happy.

Your Day, Your Choice

The Home Manager believes that every resident should have individual choice at the centre of everything the team does.

Bridgeside Lodge is an exceptionally warm and friendly home at the heart of Islington, where residents live in a custom-built high specification property with views over the Regent's Canal.

Our nursing & care team are on hand 24 hours a day, and happy to help residents with a smile and cheery word, whether they need company and support with daily care, or require round-the-clock specialist care.

The team and residents together create a family atmosphere where everyone lives life to the full. The superb setting helps each resident enjoy a full, stimulating and person-centred life whatever their care needs are, from regular trips to the local shops or the cinema, a quiz afternoon, or having some quiet time reading the paper or listening to the radio. Our wellbeing programme promotes a healthy mind, body and soul. Our team works closely with The Spitz Charitable Trust, which encourages and empowers residents to reflect, share stories and recall important moments in their lives through music. Summer barbecues, chair exercise classes, and religious services are only some of the ways we keep minds active and spirits high.

Nutritious, wholesome homemade food is on the menu at Bridgeside Lodge, with residents involved in developing menus that suit their tastes, made with fresh locally sourced ingredients. Every meal is varied, tasty and well-presented making dining a wonderful social occasion, tailored to individual dietary needs. In summer, residents can even dine on the terrace.

And that is at the heart of everything we do: treating every resident as an individual and ensuring that our care meets their every need. Attentive nurses and carers taking time to get to know every resident personally makes for a positive and happy life at Bridgeside Lodge.
